

JOB: LPG CARAVAN GAS ENGINEER

Holgates is a family owned business with a range of Caravan Parks. Our six parks all offer something different and are spread across the Bay coastline with locations both in North Lancashire and South Cumbria. We are looking for enthusiastic individuals to work as part of our team.

Location: Silverdale

Within this role you will be responsible for working on static caravans and other company rental properties. This role will be based at Silverdale with occasional travel to our other sites.

Main Tasks of Job Include:

- Maintenance and repairs on static caravans.
- Servicing caravans, internal and external repairs and fitting accessories.
- Gas and electrical testing, boiler servicing, repairs and fault finding.
- A mechanical interest and someone eager to learn is essential.
- Plumbing skills are desirable to assist with plumbing repairs and connection of caravans.
- LPG gas qualification essential.
- Experience with static caravans desirable.
- Depending on location may include on-calls.

Job Type: Full-time

Benefits: Pension scheme, discounted meals, free gym membership.
