Holgates Holiday Parks

Registered Office: Middlebarrow Plain, Cove Road,
Silverdale, Lancashire, LA5 0SH

Across our locations part of the Holgates Family Group, we strive to ensure that all visitors can enjoy the accommodation, facilities and surroundings on the park or at the location. Our aim is to help in any way that we can and if you require any assistance whilst at one of our locations, or whilst planning to visit, we will be delighted to offer our services.

Our Head Office Reception is open from 9am to 8pm (6pm during select periods); outside these hours emergency assistance is available via our park wardens. Mobile phone coverage is generally good on most networks across our locations, however due to being largely based in rural areas, some networks may have a weaker signal than others. If you find this is the case, look out for a public telephone as these may be located at your chosen location.

Within this access statement, you will find details on our locations and the features they have to increase accessibility and hopefully enable all visitors to enjoy our locations. You may find some of our locations have more features in place than others, often due to the scale or nature of the location; for example: you will find more features in place at one of our larger holiday parks with a range of facilities in comparison to a smaller holiday park with less facilities.
